FAMILYACTIVITY DRAW GOD

Prepare: Paper, color pencils or markers

1. Think and imagine how God would look like and share your thoughts with others
2. Think about all that you learnt and shared about the likeness of God and try to draw a picture of God.

When God made human beings, God created them in His image. That means that we look like Him. But wait. We can't actually see how He looks like, can we? Well, we can still know if we are like God. For example, are any of you like your mom and dad in your personality or characteristics, but not in the physical looks? It's just like that. You have God's character, something that is part of Him. What are some things you can think of?

First, think about creativity. We are all artists in our childhood. Many adults stop making arts, but they still enjoy seeing great artworks created by talented artists. We all have taste in creativity! Look at the world God created. God is the greatest artist of all!

Intelligent. What? Did you say you are intelligent? That doesn't matter. You are still considered smart. There are no animals in this world that knows how to think like humans. Human beings are the only ones who can tell apart between the right and wrong. We can ask questions such as Why and How. God is the most intelligent being. His thoughts are precious and many towards us (Ps 139:17) Lastly, we all like to make relationship with others. We all love friends, family and neighbors. God Himself is a relational God. God is in the form of Holy Trinity-Father God, Son Jesus and Holy Spirit-and these three share the closest relationship. God loved human beings so much that He gave away His Son Jesus to the cross.

Other than the three shared here, we have many other qualities that resemble God. The fact that we are like God means that we are all good, wonderful and beautiful. Praise the Lord!

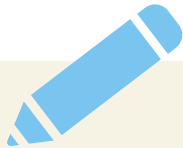

TALK

1.If you resemble your mom or dad in terms of your personality or character, please describe and share.

2.We learnt that we have three qualities that resemble God. What are they?

3.Think about what other qualities are there that make us like God. Share your thoughts.

CONCLUSION

We all carry the likeness of God in us. Just like a child resembles his or her parents in many ways, we also resemble God in so many ways. This makes us feel good because we know that God is perfect, beautiful and good. Because of our sins and brokenness, we made the image of God become damaged. But God will restore and heal all the damages one day. When he does that, we will be made good and perfect. We will live towards this day everyday fighting against our sins until the day God restores us and make himself glorified!

ENDING PRAYER

Dear God. We are like You in so many ways. This makes us be thankful because many times we face so much ugliness in us that make us not like ourselves. Despite the sinfulness in us, you still planted your image in us from the very beginning. Help us to be like you more and more each day. Help us to fight against our sins so that we will live our lives beautifully and wonderfully according to your purpose. In Jesus Name we pray, Amen.
