We have a big church, and it may be natural to not know everything that goes around our church. It would be a wonderful opportunity to pause and to learn about our church this month.

1. NJ Chodae Church is an evangelical Church. As an evangelical church, we believe in the Word of God, and believe in the Son of God, Jesus Christ who has redeemed us from death.

2. NJ Chodae Church is a Presbyterian Church. This means, that the important administrated decisions are made by the elders of our church. Our church belongs to a bigger organization named KPCA (Korean Presbyterian Church Abroad).

3. Our Church follows through a Reformed Theology. We follow the teachings of John Calvin who taught against the corrupt practices of Catholic Faith in 16th Century.

4. Our church is a Missional Church. Our church works for the spreading of the Lord's Kingdom. A Missional Church also loves its members and nurtures them to live as a church of God.

Our church consists of many different ministry groups. Every Sunday, worship happens at Korean Adult Ministry (KM), Bridge-makers Ministry (Korean Young Adult) and 8 different Sunday School Ministries-First Living Seed (0-30months), Good Tree (31months to 4 years), Sonshine Ave (PreK and Kinder), Precious Jewels (Grade 1-2), Kingdom Kids (Grade 3-5), Firm Foundation (Jr High), Resurgence (Sr High) and Following Jesus (Korean Youth). We also have His Friends Ministry that is for people with special needs.

## TALK

1. Have you ever felt like you have no idea what is going on inside our church?!
2. What are some efforts we can make to get to know our church and its ministries?
3. Spend some time praying together for our church and the ministries that we are part of. Pray that God will put all of us together as one united church.

## CONCLUSION

When church grows big, it is a blessing, but at the same time, it is hard for us to stay connected at all times. But God put all of us together as one church for a reason. We all have different parts to play for His kingdom work.

Getting to know one another within our church would be the important start to be united as one church together. Praying for different ministries within our church can start building one another up. There are so many creative ways for different ministries within our church to work together for His kingdom work. When we get to know each other, form meaningful relationships and pray for one another, God will craft something so wonderful and beautiful out of our teamwork. That is the purpose He has for His church from the beginning. He wants us to be united as one church.

## ENDING PRAYER

Dear God, help us to make efforts to get to know one another within our church. Our understanding and knowledge are sometimes limited. Help us to form many meaningful relationships within this church so we can grow together as brothers and sisters in one body of Christ. In Jesus Name we pray, Amen.
