Reading the Word

Read Psalm 99 together.

Understanding Psalm

1. Psalm provides a structure for us to receive God's covenant Words and shows how we need to respond in kind.
2. Along with giving us comfort, psalm also shows us how we should actively respond to God.
3. God considered His Words and our response(words) to His Words to be equal. Psalm is a place where we can meet God within the covenant relationship as He listens to us and considers our words to be precious.
4. Therefore, it is through psalm that God's Words and our response to his Words interact and we invite God's history into our lives.
