ACTIVITIES

FRIDAY NIGHT FELLOWSHIP

FNF is a casual, social event that fosters community, fellowship, and a sense of belonging among church members.

SUMMER RETREAT

The FFM retreat is our biggest annual event. By getting away together as a whole ministry for several days, we hope that students can deeply worship without the daily distractions that they have.

DISCIPLESHIP

These in-depth classes are offered during fall to equip believers to grow in their faith, deepen their understanding of Scripture, and become mature disciples of Christ.

RELATIONAL BUILDING

Students are encouraged to have One-on-one conversations with pastors about any topics students want to talk about; faith, friends, school, any challenges students are facing.
